

These are debates that I have enjoyed and share them with members. The point of posting these for members is to point out that Christianity is not simply a “just believe by faith” religion as if Christianity is not compatible with science, logics and reason. Christian faith can be supported by historical facts, logic and reason and can be supported by science and archaeology.

(I might add more videos to this list overtime when I find good ones)

Debates on the Person of God

Frank Turek vs Christopher Hitchens

Topic : **Does God exist?**

<http://vimeo.com/1904911>

Frank Turek vs Christopher Hitchens

Topic : **What best explains Reality :Theism or Atheism**

<http://vimeo.com/6148456>

Lennox vs Dawkins Debate

Topic : - **Has Science Buried God?**

<https://www.youtube.com/watch?v=zF5bPI92-5o>

William Lane Craig vs Alex Rosenberg

Topic : **Is Faith in God Reasonable?**

<http://www.youtube.com/watch?v=bhfkhq-CM84>

Debates on the Person of Jesus Christ

William Lane Craig vs Shabir Ally

Topic : **Jesus' Resurrection: Christian vs Muslim**
